Alain,

In order to introduce a motion on the additional tile, the Chief Legislative Analyst is asking the following:

I need to know these things:

1. How much are we giving

We are giving \$12,000 and receiving a reimbursement of \$6,000 from the North Figueroa Association.

2. to whom are we giving it

Alain, what is the account number we are giving the funds to? The Board Report you sent me indicates: Fund No. 655, Appropriation Unit No. 94G432 is that where the \$12,000 should be transferred to from Councilmember Cedillo's discretionary account.

3. what is the purpose

I need more information on this. I have:

The installation of lithomosaic or similar tile that will result in a finished 6 foot by 4 foot image reflecting historic destination of Highland Park.

I need more specifics on the image and location that the City is paying additional funds.

As soon as you can get this information to me, the sooner we can get this motion introduced.

Thank you.
